Hey Diana,

Hope this finds you well and enjoying summer!

As you may know, the LA2050 initiative offers annual grants up to \$100k to projects that make LA a better place to learn, create, play, connect, and live. Non-profit and government entities are eligible to apply, and the submission period begins 9/6. Blair and I considered the idea of applying for funds to improve and expand our Spring Street Parklets in collaboration with CD14's planned enhancements for Spring Street. Do you have time tomorrow or next week to discuss? Anyone else from your team to loop in?

Noah
